Billing Due Dates

Fall Term 2023	August 4, 2023
Spring Term 2024	December 15, 2023

Fall 2023 tuition bills will be available on or around July 5, 2023.

Spring 2024 tuition bills will be available by mid-November 2023.

Billing Delivery & Payment Portal

Students **will not** receive a paper tuition bill. F&M has partnered with Transact Campus for an online tuition eBill/payment portal service.

The online service is available for all students and anyone the student sets up as an authorized user on their tuition account. Students and parents/guardians can receive, view, print and pay student tuition bills through this online payment portal service.

Please Note: The eBill is a snapshot in time, as of the date on the bill. It does not reflect payments and/or additional charges that may post to the student's account after the date of the eBill.

To access real-time activity, students can log in through myDiplomat > My Info > Navigation menu > 'Account Detail by Term' icon. **The real-time view is accessible to students only!**

What does the Student Accounts Office do??

The Student Accounts Office assists students & parents with student account and tuition & fees information. If you have questions about your student tuition account, please contact us. Our contact information can be found on the last page of this document.

eBill/Payment Portal Access - Students

The only way for you to access the payment portal and your eBill is by logging in through myDiplomat:

myDiplomat > Navigation menu > My Info > Tuition Statement/Payment icon.

The eBill/tuition statements are located in the Statements tab.

To add a parent/guardian or other authorized user, see the next section.

eBill/Payment Portal Access - Parents/Guardian/Authorized User

THIS IS A TWO-STEP PROCESS THAT MUST BE INITIATED BY THE STUDENT in order to electronically access the student account/eBill and discuss account details via phone, in person, or email with Student Accounts.

1. **STUDENT:** In the payment portal, in the **Overview** tab, click on the 'Send a payer invitation' link and fill in the pertinent information on the next page. *You must complete this step in the payment portal before an authorized user can receive access to view your eBill, make a payment and/or create a **payment plan**.*
2. **PARENT/GUARDIAN:** Once the student has sent the invite, you will immediately receive an email with login credentials. As an authorized user, you will receive email notifications every time a new eBill is generated and you will have access to view the eBill, make payments against the account and/or create a payment plan (when they are available). Once access is granted, to sign into the payment portal, please go to: <https://commerce.cashnet.com/fandmpay>.

Payment by Check or Cash

Please include the student's name and F&M ID number when making payment via check or cash.

Mailing address:

Franklin & Marshall College, Attn: Cashier,
P.O. Box 3003, Lancaster, PA 17604-3003

Overnight/Express Carrier mailing address:

Franklin & Marshall College, Attn: Cashier,
415 Harrisburg Avenue, Lancaster, PA 17604-3003

Failure to Pay

A late fee of \$500 will be assessed and a financial hold* will be placed on the student's account for the following reasons:

- Failure to make payment by the bill due date.
- Failure to adhere to the payment plan schedule if on a payment plan.
- If the payment plan does not cover the balance due.

***A financial hold** restricts future registration, prevents the student from entering the housing lottery, prevents a graduating senior from receiving their diploma, and requests for official transcripts will be denied.

Student accounts that remain unsettled by the end of the semester will be deemed delinquent and the student will be placed on a Leave of Absence for Financial Reasons. If this occurs, **payment in full is required before the student can enroll in a subsequent semester.** Delinquent accounts may be referred to a collection agency for further collection action.

Refunds of Credit Balances

Refunds are processed on a weekly basis for accounts that have credit balances that generate from financial aid posting to the account.

Refunds on credit balances that are generated because of overpayment to the account will need to be requested by the student.

A refund via ACH direct deposit is the recommended method of receiving a refund. Students must sign up to receive refunds via ACH direct deposit with the Student Accounts Office.

If a refund is via check, refund checks can be picked up in the mailroom (unless other arrangements are made prior to the check being generated) and are available Friday afternoons after 2pm.

Tuition Refund Insurance

Deadline to enroll for this insurance is PRIOR to the first day of classes.

F&M has partnered with GradGuard to provide tuition insurance. This coverage expands the scope of our refund policy by ensuring reimbursement for tuition, room & board and other fees for covered withdrawals at any time during the semester.

Please visit GradGuard's website for more information: www.gradguard.com/tuition/fandm. Their Customer Service number is 877-794-6603.

Student Health Insurance ****Mandatory****

Response is Required Every Year!!

Health insurance coverage is **required** for all full-time students enrolled at Franklin & Marshall. College policy requires students maintain health insurance coverage that covers them every day of their higher education career. This includes summers and breaks. The College's Student Health Insurance Plan (SHIP) is administered by QM Services and the policy runs August 1 to July 31.

EVERY YEAR Domestic Students MUST:

- **Provide proof of comparable health insurance coverage to OPT OUT or**
- **ENROLL in SHIP.**

Near the end of June, you will receive information from QM Services regarding your insurance options. **Once you receive the info from QM Services, a response on health insurance coverage is required EVERY YEAR regardless of whether you are enrolling in or waiving/opting out of coverage.**

For assistance, contact QM Services at 1-800-273-1715, press 2 or visit www.QMServicesinc.com.

QM's website will open in early July.

You cannot enroll or opt out of coverage until you receive the email from QM Services indicating their website is open. Information will be sent via email to the student's F&M email address.

August 28, 2023 is the deadline to waive (opt out) of the College's coverage and have the charge reversed.

Students who have not waived (opted out) of the health insurance by the time the initial Fall eBill is sent, will be charged the College's health insurance. You may still waive (opt out) of the College's coverage after the initial billing if you have your own coverage and we will reverse the charge.

International students with an F1 status are required to take the College's Student Health Insurance Plan (SHIP). The International Office takes care of enrolling F1 students, so no action on the student's part is required to enroll.

Student Housing, Meal Plans and Ben's Bucks

Housing & Meal Plans – To add, change or delete housing or a meal plan, you must contact the Housing Office at housing@fandm.edu.

Ben's Bucks – Go to www.fandmbensbucks.com to set up a Ben's Bucks account and/or to add value to your account. You can also add a guest user (usually a parent/guardian) so they have the ability to add value to your account at any time.

1098-T: IRS Tuition Statement Form

1098-T forms are distributed by January 31st each year to students who meet the IRS' reporting requirements.

The 1098-T is a **statement that colleges and universities are required to issue to certain students**. It provides the total dollar amount paid by the student for what is referred to as qualified tuition and related expenses (or "QTRE") in a single tax year.

You may receive a notice from F&M through the mail asking for the student's Social Security number. This request is for 1098-T, Tuition Statement, reporting purposes. The College is required to report this information annually.

All 1098-T forms require a taxpayer identification number (TIN) or a social security number (SSN) and for domestic students, a W-9S form will be sent to each student's permanent resident address requesting their TIN or SSN for this purpose. Students failing to furnish their TIN/SSN to institutions required to file information returns on their behalf may be subject to penalties by the IRS. The College must file a 1098-T form for the student, even if the student fails or refuses to provide a TIN/SSN.

Note to International Students & 1098-T Reporting

In general, reporting under Form 1098-T is not required for nonresident alien individuals, unless they request for the institution to report such information. Since, however, the College cannot determine residency of most international students, a 1098-T will be issued to all eligible internationally-designated students.
