Residence Hall Furniture Specs

All F&M residence halls (except for floors 1-3 of Roschel College House) contain the items below.

Furniture is movable and will be initially configured with the two-drawer chest, nightstand and bookcase being under the bed. Bed height is adjustable and the frames can be configured as bunk beds by submitting a ticket to our Facilities & Operations Service Response Center (<http://repairs.fandm.edu>).

All rooms are air conditioned and have solid-surface flooring and window blinds. Each room also contains one full-length mirror mounted on the door and one trash can.
